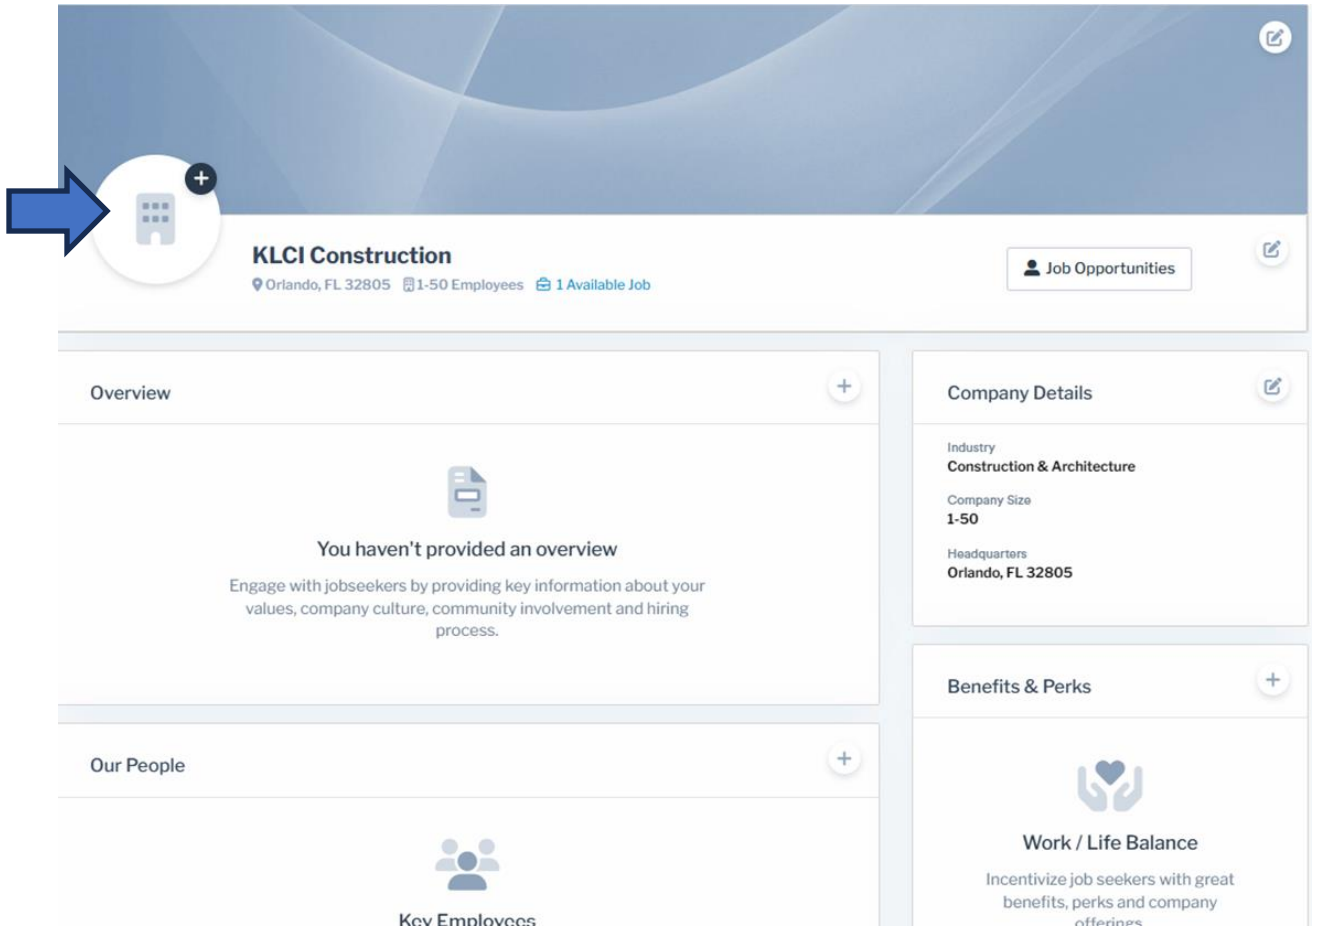
Update Your Company Page

An incomplete Company Page with blank fields and no logo can:

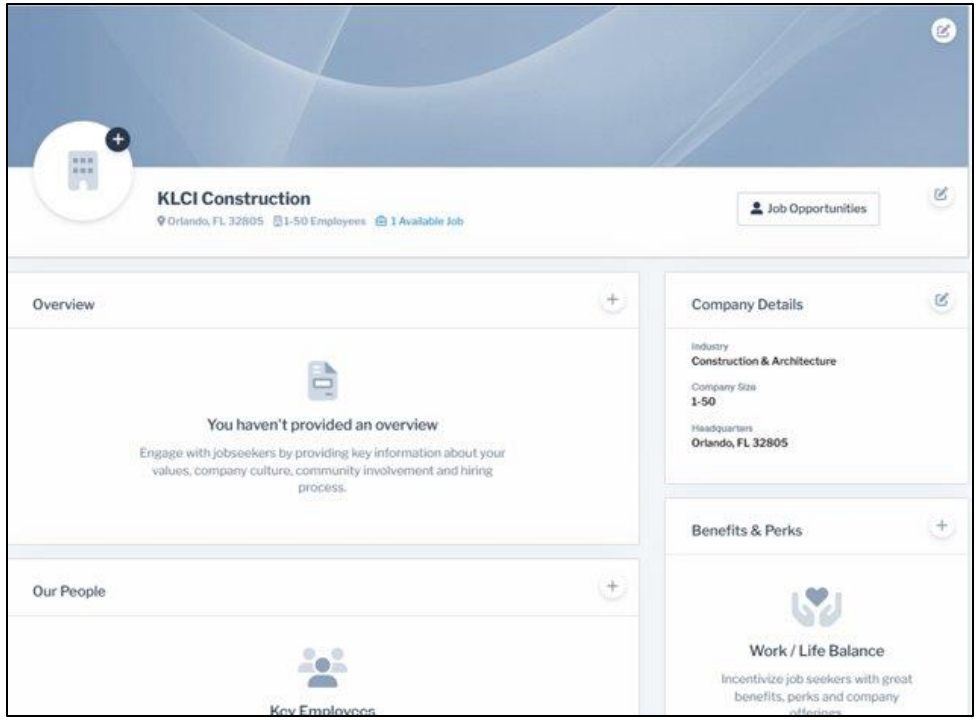
- **Erode Trust:** Job seekers may doubt your credibility.
- **Discourage Applications:** Top talent moves to better-presented employers.
- **Hurt Your Brand:** Leaves a negative first impression.

A complete page builds trust, boosts your brand, and attracts top candidates. Update yours today!



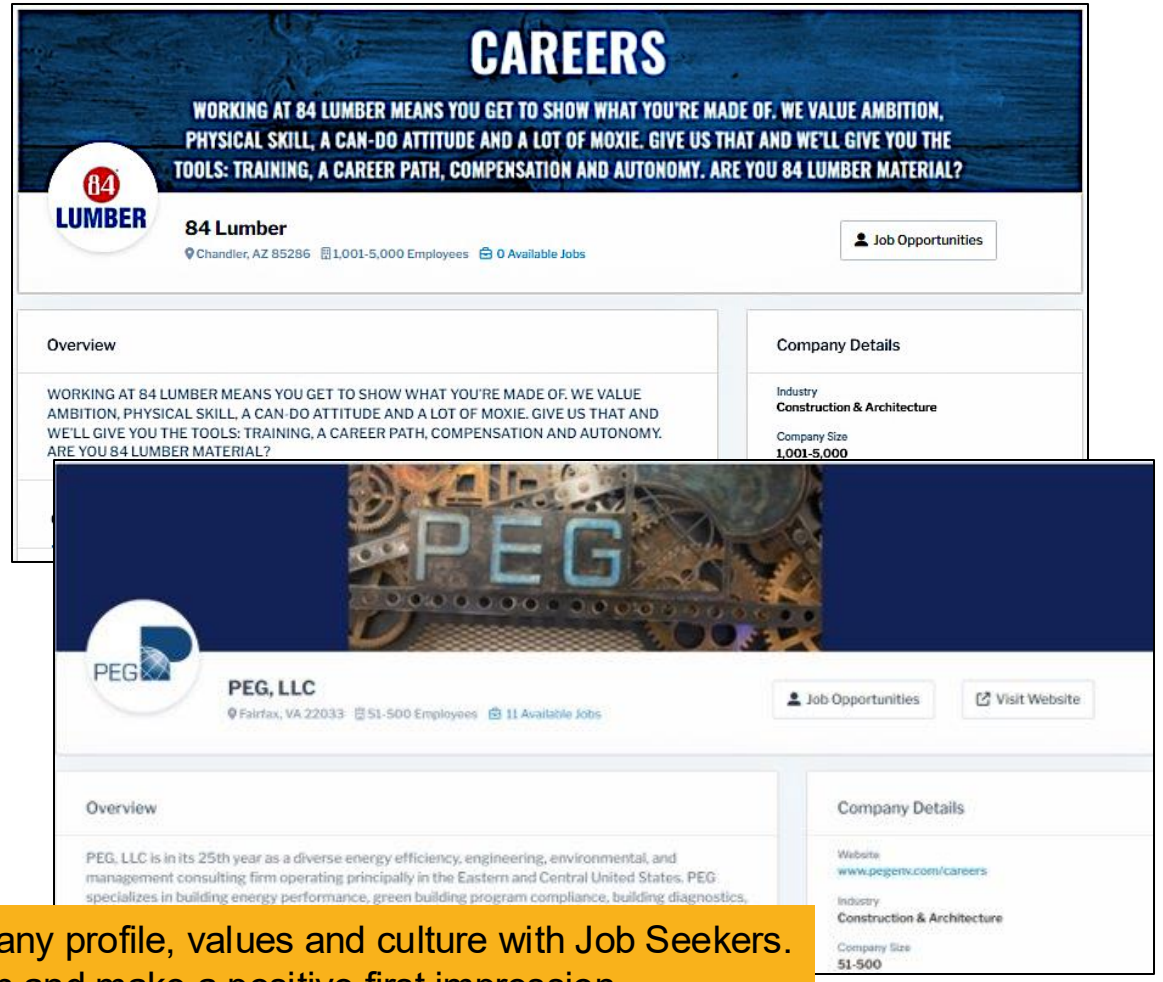
Company Pages

Ineffective Company Page



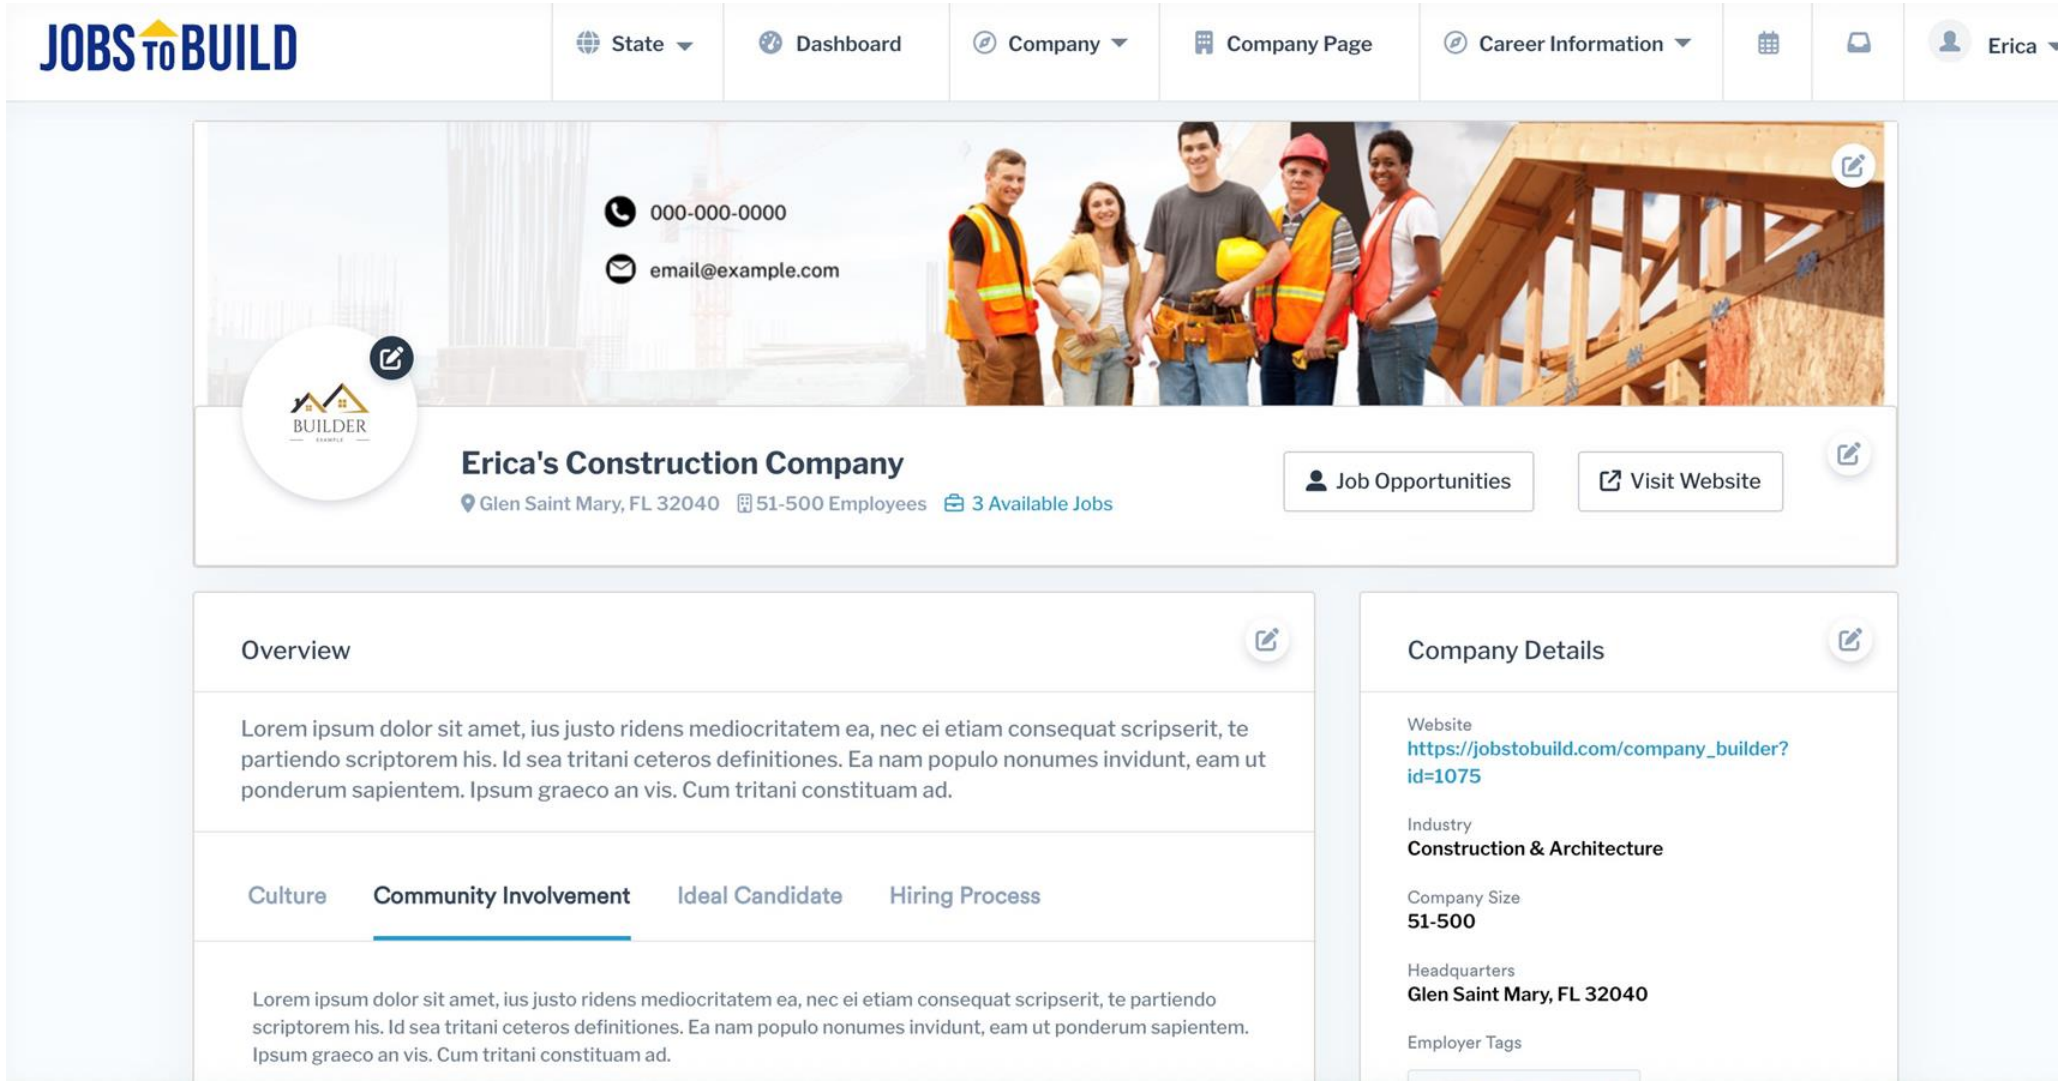
Incomplete and Uninviting

Effective Company Pages



Be sure to share your company profile, values and culture with Job Seekers. Add images to grab attention and make a positive first impression.

What a Great Company Page Looks Like!



Let’s work together to build a stronger, more resilient workforce.

Building Talent Foundation

Engage. Collaborate. Innovate
