
Careers In Construction NW Shaping Tomorrow's Workforce

Careers in Construction Core Purpose: Work with local schools to increase student participation, advance facilities, curriculum, and networking so that students can obtain quality jobs in the building industry upon graduation.

Toolbox Events

At our La Center Toolbox Event, over 100 fourth-grade students rolled up their sleeves and explored the world of construction firsthand. Through hands-on activities and real-world tools, students gained an early look at the trades while building confidence, curiosity, and excitement for future careers in construction. Events like this help spark interest early and show students that skilled trades are an exciting and attainable path.

How to Help

Stay connected with Careers in Construction NW by visiting our website for the latest events, updates, and opportunities to get involved.

Your support makes a difference!

Consider making a donation or shopping at our Trades Tuesday Store, where every purchase helps fund trades education programs in local high schools.
