
Careers In Construction NW Shaping Tomorrow's Workforce

Careers in Construction Core Purpose: Work with local schools to increase student participation, advance facilities, curriculum, and networking so that students can obtain quality jobs in the building industry upon graduation.

SCHOOL BUILT SHEDS

We're excited to announce that 8 schools are participating in our School Built Shed Program this year! These sheds are built by students as part of their hands-on learning experience, and now they're available for pre-sale.

If you'd like to support our students and secure a shed, please contact us at 360-907-5800 — don't miss out on this opportunity to get a quality, student-built shed while

helping foster the next generation of skilled tradespeople!

BUILDING OPPORTUNITY

TRADES
TUESDAY

Have you seen our Trades Tuesday Store?

Launched in May 2025, this program celebrates careers in the trades while helping support our students. 10% of all profits go directly back to CICNW, funding programs and building projects that give students hands-on experience and tools for success.

Shop now, show your support, and help us build the next generation of skilled tradespeople!

The Washougal School District CTE team proudly shows their support by wearing their Trades Tuesday gear. Their commitment helps shine a light on the many rewarding career pathways available in the skilled trades, inspiring students to explore hands-on, high-demand opportunities that build strong futures and stronger communities.

Spotted in the wild!

One of our Trades Tuesday supporters was caught showing their spirit at Costco, helping raise awareness for Careers in Construction NW and the amazing opportunities in the skilled trades. Keep an eye out — you never know where Trades Tuesday will show up next!

Skills USA

The original Olympic podium in Olympia, Greece, where a Trades Tuesday Traveler set their hat on the podium in the gold medal position — where champions once stood!

This is a perfect reminder that greatness starts with dedication, skill, and a little bit of courage.

As we head into next year's SkillsUSA competitions, we're cheering on our future builders, makers, and problem-solvers who are ready to climb onto their own podiums and show what they're made of.

Let the countdown begin!

Celebrating Support from Our Community

We love hearing from those who share our passion for preparing students for careers in the skilled trades. Judy Brown, Educational Leader, shared this heartfelt message:

"You are doing amazing work for students and their futures. This is pure joy for me as a former CTE teacher to see industry working to help our 'kids'."

It's feedback like this that reminds us why Careers in Construction NW exists — to create opportunities, inspire students, and build a stronger future for the next generation of skilled professionals.

How to Help

Stay connected with Careers in Construction NW by visiting our website for the latest events, updates, and opportunities to get involved.

Your support makes a difference!

Consider making a donation or shopping at our Trades Tuesday Store, where every purchase helps fund trades education programs in local high schools.
