

Careers In Construction NW

Shaping Tomorrow's Workforce

Careers in Construction Core Purpose: Work with local schools to increase student participation, advance facilities, curriculum, and networking so that students can obtain quality jobs in the building industry upon graduation.

Support the Future of Skilled Trades

[Donate Here](#)

Your Impact

All proceeds from direct donations, fishing trips, and vacation rentals go straight to supporting Careers in Construction NW. Our continued growth across Southwest Washington and now into Oregon has created an exciting opportunity — and a growing need — for additional funding.

Your support helps us:

- Expand our programs to reach more students.
- Create hands-on learning opportunities in skilled trades.
- Open doors to meaningful, long-term careers for the next generation.

Every contribution, big or small, helps us build futures — one student at a time.

Spotlight on La Center's Growing C.T.E Program

La CENTER DUAL CREDIT

La Center High School is giving students more opportunities than ever to explore careers and build real-world skills through their Career and Technical Education (CTE) programs. With their brand new Trade Center completed in October 2025,

students are getting hands-on experience in a space built specifically for learning the trades.

We're excited to share a closer look at their program, including how students can earn dual credit while still in high school and where you can explore more about their growing CTE offerings.

BUILDING OPPORTUNITY TRADES TUESDAY

Have you seen our Trades Tuesday Store?
Launched in May 2025, this program celebrates careers in the trades while helping support our students. 10% of all profits go directly back to CICNW, funding programs and building projects that give students hands-on experience and tools for success.

Shop now, show your support, and help us build the next generation of skilled tradespeople!
