Careers In Construction NW
Shaping Tomorrow's Workforce

Careers in Construction Core Purpose: Work with local schools to increase student participation, advance facilities, curriculum, and networking so that students can obtain quality jobs in the building industry upon graduation.

Support the Future of Skilled Trades

Your Impact

All proceeds from direct donations, fishing trips, and vacation rentals go straight to supporting Careers in Construction NW. Our continued growth across Southwest Washington and now into Oregon has created an exciting opportunity — and a growing need — for additional funding.

Your support helps us:

Expand our programs to reach more students.
Create hands-on learning opportunities in skilled trades.
Open doors to meaningful, long-term careers for the next generation.

Every contribution, big or small, helps us build futures — one student at a time.

Building the Future Workforce:
2026 Grade 13 Event

Electrical Plumbing HVAC - Training
Sheet Metal

This year’s Grade 13 event brought together 118 of Southwest Washington’s top construction, welding, and fabrication students with 63 local employers for a fast-

paced day of networking and speed interviews. Designed to connect skilled students with career opportunities after graduation, the event continues to strengthen the pipeline between education and the trades industry — helping employers discover the next generation of talent while giving students a direct path into high-demand careers. Inspired by the success of previous years, Grade 13 is proving that workforce development starts long before graduation.
